

September 2022

Dear Parent/Carer

You will soon be making choices about which secondary school you wish your child to attend in September next year. In order to help you to make an informed choice, I would like to invite you and your child to Up Holland High School for our Annual Open Evening, which will be on **Thursday 29th September 2022** from 5.00 pm until 7.30 pm.

The evening is designed to provide you with more information about the school and an opportunity for you to meet our staff and students.

During the evening I will be delivering a presentation that outlines our key values and ethos and why we strongly believe that Up Holland is a positive choice for parents and children. There will be two opportunities to listen to the address the first will be at 5.30 pm and the second at 6.30 pm.

There will be an opportunity to tour the classrooms of the school where you will be able to see the work of individual departments in order to get a flavour of our school and the curriculum we offer. Staff and students will be available to answer any questions that you may have.

There will also be the opportunity to see more significant improvements to the school site as we remain committed to improving the infrastructure and learning environment for students. The school has continued to grow in popularity over the last six years with student numbers reflecting those improvements each and every year.

I therefore strongly believe this is a fabulous time to join an ambitious, rapidly improving school that places the children firmly at the heart of the decisions that it takes. We continue to develop and promote an ethos where staff and students be the best version of themselves each day through their Dedication to Excellence.

If you have any queries about the evening or would like to visit us at an alternative time, then please contact school and we will arrange a time that is convenient to you.

I look forward to meeting you on **Thursday 29th September 2022 from 5.00 pm-7.30 pm.**

Yours faithfully

Mr P Scarborough
