

5 December 2022

Dear Parent/Carer,

As we approach the end of our first term, I wanted to wish you and your families all the very best for the Christmas and New Year period and to thank you for your on-going support.

On Wednesday 14th December, Lancashire Catering Service will be serving an alternative Christmas menu. This will consist of a 'Christmas Dinner', a 'Turkey Barm' or a 'Vegetarian Option'. This will be complimented by either a sandwich or sausage roll option for those that would prefer it. At break time, toast will also be made available alongside drinks and refreshments.

We officially close for Christmas on Friday 16th December at 12.30 pm and re-open to students from Wednesday 4th January at 8.45 am. Transport arrangements for the last day are in place for those that travel on the school bus, taking students home at 12.30 pm. Food arrangements are also in place, with the students expected to eat during an extended break time which will be from 11.00 am-11.30 am, as there will be no provision on offer at 12.30 pm.

At the end of this term, we say goodbye and thank you to Miss Coupe and to Mr Smith, who both leave with our thanks and good wishes for the future. In addition to this letter, you will receive our Christmas Newsletter that will celebrate the positive work of the students this term.

On our return, we will continue to work hard to ensure that each child receives the high-quality education that they deserve, supported by the continued improvement to the quality of staff and to the learning environment. We will also ensure that the curriculum enriches and enhances the school experience for all students. Whilst school has improved significantly over the last few years, I remain committed and dedicated to improving things still further, ensuring that excellence remains at the core of our work.

I once again wish you and your families the very best for Christmas and New Year.

Yours sincerely,

P Scarborough
Headteacher
