

## EQUALITY POLICY

The policy outlines the commitment of the staff, students and governors of UHHS to ensure that equality of opportunity is available to all members of the school community. For our school, this means not simply treating everybody the same, but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of students in school, whilst celebrating and valuing the equal opportunity achievements and strengths of all members of the school community. These include:

- Students
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At UHHS, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religious beliefs, sexual orientation, age or any other recognised area of discrimination. The school will promote equality of opportunity for students and staff from all social, cultural and economic backgrounds and ensure freedom from discrimination on the basis of disability, gender, race, age, religion or belief, and sexual orientation. Equality and diversity are integral to the school's priorities and objectives.

*"We continually strive to provide outstanding educational standards and outcomes, driven by our 'Dedication to Excellence'.*

*Develop the whole child, enhancing their character through our LORIC skills and core values.*

*Promote a culture of inclusion, equality and diversity."*

### **Gender reassignment & Sexual identity**

The school agreed to seek further advice and guidance from local and national specialists on how and when to ask students this question and how to use the data sensitively when collected and when students tell us. If the school received information on whether any of the students on roll identified as lesbian, gay, bisexual or transgender (LGBT), this information would be held confidentially and dealt with sensitively.

At UHHS, the leadership of the school will demonstrate mutual respect between all members of the school community. There is an openness of atmosphere which welcomes everyone to the school. All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions. All students are encouraged to greet visitors to the school with friendliness and respect. The displays around the school are of a high quality, are currently being developed to reflect diversity and are frequently monitored. Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities. UHHS is a coeducational secondary school located in Up Holland, Lancashire, England. It is a non-denominational comprehensive school. The school is smaller than the average sized secondary school. The proportion of disadvantaged students, those who are supported by the pupil premium funding is below the national average. The pupil premium is additional funding to support those students known to be eligible for free school meals and those who are looked after by the local authority. The proportion of students from minority ethnic heritages is well below average.

### **POLICY DEVELOPMENT**

This policy applies to the whole school community. It has been drawn up as a result of the outcomes of a transparent process and through consultation with: SLT in collaboration with the school community and governing body. UHHS is an inclusive school, working towards greater equality in the whole school community.

We collect a range of equality information for our students; For example, attainment data, attendance data, exclusions, involvement with extended learning opportunities, complaints of bullying or harassment, choice of options selected. We ensure that these are analysed by ethnicity, disability, or sexual orientation, gender, free school meals (FSM) Pupil Premium. From an attendance monitoring point of view User Defined Groups are set up using the SIMS system;

- Free School Meals
- Ethnicity
- Young carers
- Children looked after
- New Admissions

- Statement
- Gender
- Pupil Premium
- Service children

*to enable monitoring of;*

- Attendance
- Broken weeks
- Patterns of absence (same day absences each week)
- Persistent Absentees ( as defined by the DfE)
- Whole School by Year Group attendance (weekly, half termly, termly and yearly)

We make regular assessments of students' learning and use this information to track students' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of students are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of students where the information suggests that progress is not as good as it should be. The governing body receives regular updates on student performance information.

School performance information is compared to national data and Local Authority data, to ensure that students are making appropriate progress when compared to all schools, and to schools in similar circumstances. As well as monitoring student performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, prejudice sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in Enrichment Opportunities

Our monitoring activities enable us to identify any differences in student performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

UHHS is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

The Employment Duty within the legislation states all schools should collect information on staff in post, and applicants for employment, training and promotion. This is deemed to be best practice in order to identify potentially discriminatory practice.

We collect and analyse the following profile information for our staff and governors:

- applicants for employment
- staff profile
- governing body profile
- attendance at training events
- disciplinary and grievance cases
- staff appraisal/performance management
- attendance at parent's evenings.

This information is delivered in the strictest confidence and handled sensitively.

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation is Mrs. Callaghan. Her role is to:

- Lead discussions, organise training, update staff in staff meetings and briefings, support discussions
- Work with the governing body on matters relating to equality

As well as regular enrichment opportunities throughout the year we also host an annual 'Wonderful Week' that gives all students, regardless of their protected characteristics, an opportunity to develop their cultural capital through at least one enhanced learning experience.

We undertake responsibility for making contributions to enrichment opportunities and are aware of the school's commitment to equality of opportunity (e.g. sports helpers, coach drivers,) by providing them with written guidelines drawn from this policy. We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

## PERSONAL DEVELOPMENT AND PASTORAL GUIDANCE

Staff take account of gender, ethnicity, disability, religious beliefs, sexual orientation, age or any other recognised area of discrimination and the experience and needs of particular groups such as Gypsy, Roma and Traveller, refugee and asylum seeker students.

All students are encouraged to consider the full range of career opportunities available to them with no discriminatory boundaries placed on them due to their disability, gender, race or sexual orientation

All students/staff/parents/carers are given support, as appropriate, when they experience discrimination. We recognise that perpetrators may also be victims and require support.

Positive role models are used throughout the school to ensure that different groups of students can see themselves reflected in the school community.

Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

We recognise that it is important at UHHS that all members of the school community use appropriate language which:

- Does not transmit or confirm stereotypes.
- Does not offend.
- Creates and enhances positive images of particular groups identified at the beginning of this document.
- creates the conditions for all people to develop their self-esteem.
- Uses accurate language in referring to particular groups or individuals and challenges in instances where this is not the case.

## **COMMISSIONING AND PROCUREMENT**

UHHS is required by law to make sure that when we buy services from another organisation they will help us to provide high quality education, and will comply with equality legislation. This will be a significant factor in any tendering process.

## **MONITORING THE POLICY**

This policy will be evaluated and monitored for its impact on students, staff, parents and carers from the different groups that make up our school. This will be monitored by SLT and the Governing body. We are legally required to report annually on our progress and performance in respect of this policy covering ethnicity, disability and gender and to report annually on our progress to improve access for disabled students, including access to the curriculum, physical access and access to written materials. The school development plan is regularly reviewed and reports on the success of the implementation of the equality policy and all other aspects of equality. The policy has a life span of three years and will be reviewed and revised as part of a three-year cycle.

## **PUBLISCISING THE POLICY AND PLAN**

This Policy is a public document and will be made available to any interested stakeholder and will be publicised on the website.

## **ANNUAL REVIEW OF PROGRESS**

UHHS has a legal requirement to report annually on the progress and performance of the school in respect of this policy covering ethnicity, disability and gender and to report annually on our progress to improve access for disabled students, including access to the curriculum, physical access and access to information. Taking this single equality approach, we will incorporate all requirements into one annual report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

## **EQUALITY IMPACT ASSESSMENTS**

EIAs will be used to analyse all of our work to ensure it meets the needs of all our service users and that no group is disadvantaged and cannot access our services.

### **Disability**

Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be: substantial (more than minor or trivial) adverse long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being disabled (eg diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

### Gender

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

What is the difference between sex and gender?

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

### Sexual Orientation

Heterosexism is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as homophobia, although lesophobia and biphobia are also coming into use. Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment. Sexual orientation is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

- Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
