Our Standards and Expectations

- To be Dedicated to Excellence in all that we do
- That includes positive behaviour, 100% attendance and punctuality, perfect uniform worn with pride

What does this mean to you as a parent?

What do you want your child to **achieve** in the time they are at Up Holland?

How can **they** do it? How will **you** help them do it?

How can **we** help them on their journey to success?

Being 'Dedicated to Excellence' means being the very best version of you everyday and that begins with your attitude to learning and your attitude to one another, both are really important.

Uniform – High standards

Yes

Full new uniform – Navy

New uniform – **grey** knee length socks or grey tights

Boys – must have the logo on the pants

Girls – the logo needs to be showing on the skirt and at knee length

Full PE kit if you have PE that day – **Arrive in uniform and get changed in school in your lesson.**

Shoes – black, ankle length. You will be told to wear replacement school shoes if not appropriate.

Navy bobbles to be worn if hair is below the ears.

No

No mix and matching of uniforms

Not black or ankle length socks

Not Asda's or Tesco's own brand – the phoenix logo

Don't roll up the skirt – more presentable and appropriate at knee length

No hoodies/zip up hoodies / fleeces that aren't school branded. These will be confiscated.

Coats need to be off when you enter the building. Hoods should not be up unless it is raining.

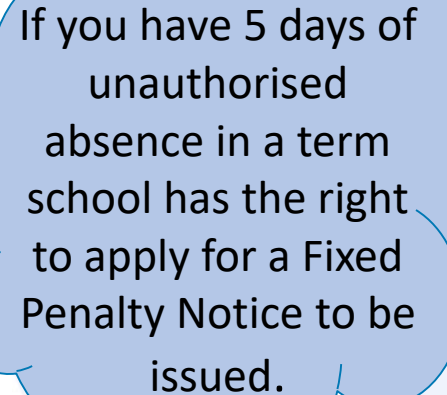

No sports brands, no trainers unless using for PE, no gold bows, no boots. If you are worried that they aren't correct – ask your PD Tutor

Attendance

- Aim for 100% attendance.
- Minimum expectation of 97%.
- 90% attendance = $\frac{1}{2}$ day missed every week.
- Phone us to tell us why your child is absent.
- Only allow days at home for genuine illness.
- Avoid holidays in school time, they will not be authorised.
- Medical evidence will need to be provided if attendance falls below 93%.
- If you have concerns ring Mrs Lowery (Attendance Officer).
- Attendance form groups – termly review extra support.

Missing 17 days in one year can mean dropping a full grade at GCSE!

If you have 5 days of unauthorised absence in a term school has the right to apply for a Fixed Penalty Notice to be issued.

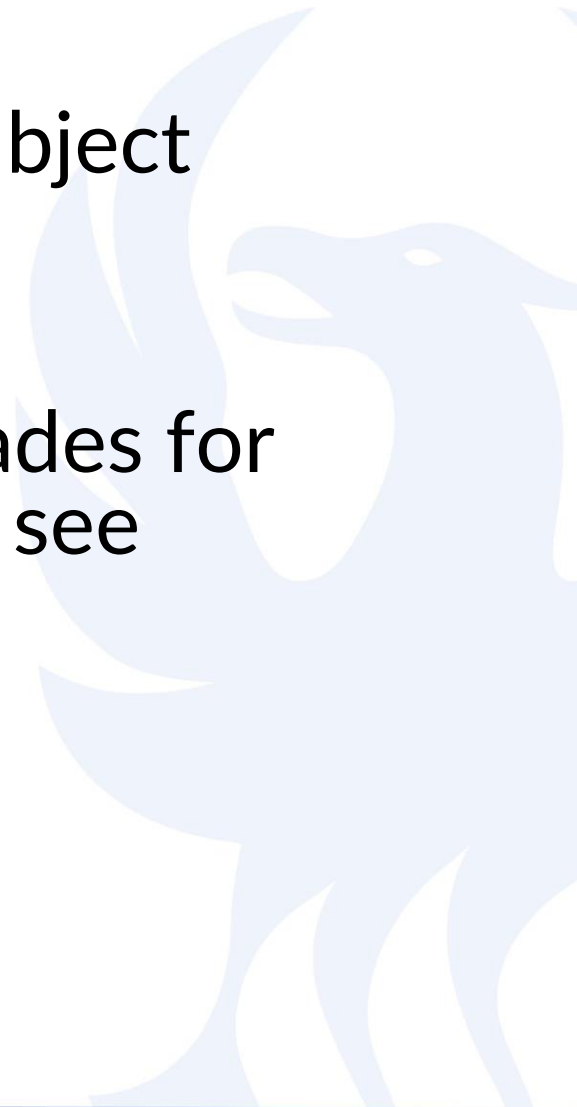

Synergy

- Online system.
- Clearer reporting system in respect of behaviour & rewards.
- Student Portal – now available for all information your child may need.
- Parent Portal –to improve communication with and between parents/school.
- Reports to be online.
- Parents' Evening booking online system

Rewards

- Reward trips – 3 trips per year, lots of other subject enrichment opportunities.
- Overview of new rewards available.
- Certificate, break/early lunch passes and upgrades for students hard work – Synergy parent portal to see achievement points.

Reporting home

- You will receive three throughout the year, December 2021, March 2022 and July 2022. The reports will be slightly different this year but you will receive information on the following at some point throughout the year:
- **Attendance**
- **Attitude to Learning** - This is a point score 1 to 5. It is linked to how focused, motivated, engaged in their learning and the effort taken in completing their work. A high score usually links to good progress, a low score usually links to more limited progress
- **Homework** - you can see if homework has been set on Synergy but the standard at which it has been completed will be clear for you to see for each subject.
- **LORIC and excellence house points**
- **Current Grade**- this is the grade that your child is currently working at and based on assessments completed in class. Please note this may fluctuate the two year course as further content is delivered.

Who to contact following a report

- Any general queries contact the Personal Development Tutor
- Any subject specific queries contact the class teacher

Y10 Key Dates

- **Y10 Parents' Evening**
Thursday 3rd March 2022
- **Y10 Mock Exams**
Monday 25th April- Friday 6th May

Curriculum and Exams

- Your child has now chosen their options and we are really pleased with the start they have made.
- We are proud of the remote education that we provided last year. There was very little lost learning for those students that engaged well.
- There are however some areas that are far better understood face to face and so each subject area has completed an audit and adapted their plans for this year to ensure students are fully prepared for their GCSE's.
- Additionally, we intend to focus our allocation of the 2021-2022 DFE 'Catch up' funding on Y10 and will be offering small group tutoring in a range of subjects to those students in need of support.
